

BASTION HOTEL GROEP

30 HOTELS WITHIN THE NETHERLANDS AND 1 IN GERMANY

Bastion has grown into the largest hotel chain in the economy segment in the Netherlands. In the past ten years, the number of rooms doubled to 2791 rooms.

A basic principle of Bastion is that the wishes of our guests who stay over for business purposes in particular are met as much as possible: a nice and pleasant meal and a room for an acceptable price. To offer more guests even more services, Bastion is expanding its field of activities. Apart from the traditional market in the economy segment under the brand name of Bastion. Bastion Hotel Groep also has meeting facilities in Best Western Hotel het Loo (in ownership of the Bastion Hotel Groep), Bastion Deluxe Hotel Utrecht and Bastion Deluxe Hotel Almere.

Standard rooms and Deluxe rooms

All **Standard rooms** (smoking or non-smoking) have flatscreen television, a telephone, a writing desk, free wireless internet, a safe, free coffee and tea facilities, a mini fridge, vending machine in the hallway and a bathroom with a shower and a toilet. The **Deluxe rooms** are more spacious and also have a separate table and chairs and a bathroom with a bath and a hair-dryer.
